

## Conference History

The **past 15** CECNet were successfully held in various cities: 2025 in Hong Kong; 2024 in Matsue, Japan; 2023 in Macao; 2022 to 2020 online; 2019 in Kitakyushu, Japan; 2018 in Bangkok, Thailand; 2017 in Taiwan; 2016 in Macau; 2015 in Shanghai; 2014 in Beijing; 2013 and 2011 in Xianning; and 2012 in Yichang.

CECNet has attracted over **3,000 participants** from around the world and resulted in more than **3,100 proceeding papers** indexed by EI and Scopus. Additionally, over **600 papers** have been recommended for publication in SCI/EI indexed journals.

CECNet 2025 in Hong Kong

CECNet 2024 in Matsue

CECNet 2023 in Macau

CECNet 2019 in Kitakyushu City

CECNet 2018 in Bangkok

CECNet 2017 in Taiwan

## Brief Program

November 25	Registration
November 26	Keynote Speeches, Poster Presentations, Invited & Oral Presentations
November 27	Invited & Oral Presentations and <b>Awarding Banquet</b>
November 28	<b>One-day tour in Sanya</b>

*November 25-28, 2026*  
*Sanya, China*

## Introduction

The **16th International Conference on Electronics, Communications and Networks (CECNet 2026)** will be held during November 25-28, 2026 in Sanya, China.

It is held annually to provide a comprehensive global forum for experts and participants from academia to exchange ideas in the most state-of-the-art areas of electronics technology, communication engineering, network security and technology.

You are welcome to participate in CECNet 2026 as authors, speakers and listeners. Hope to see you all in Sanya!

**WELCOME**

## Contact

# CECNet 2026

The 16th International Conference on Electronics, Communications and Networks

## ★ Highlights

Accepted full papers will be published in conference proceedings (EI and Scopus indexed). Some will be selected to SCI/EI indexed journals.

Best oral/poster presenters will be awarded with the free registration to the next-year conference and a certificate.

Enjoy a day trip and discover the tropical paradise of Sanya.

## Publication

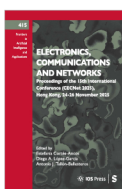

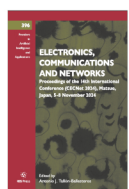

### Conference Proceedings

Frontiers in Artificial Intelligence and Applications (FAIA)

Published by **IOS Press**

Indexed by **EI Compendex, Scopus, etc.**

Expected Publication Date: **December 2026**

### SCI/EI Journals

Journal of Internet Technology

IF: 1.2

Publication Type: Regular Issue

International Journal of Sensor Networks

IF: 1.1

Publication Type: Regular Issue

International Journal of Security and Networks (EI)

Publication Type: Regular Issue

Automatic Control and Computer Sciences (EI)

Publication Type: Regular Issue

Journal of Computers (EI)

Publication Type: Regular Issue

## Topics

### Electronics Technology

Control Theory and Technology

Internet of Things

Internet Integration

Virtual Reality and Its Application

Automation

Pattern Recognition

3D Printing

UAV

### Communication Engineering

Digitization

Optical Communications and Photonics

Multiple Access Techniques

Information Theory and Coding

Signal and Image Processing

Antennas and Propagation

### Network and Network Security

5G/6G Systems

Ad-hoc and Sensor Networks

Network Security and Privacy

Wireless & Mobile Networking

RFID Technology and Application

Information Theory and Coding

Attacks and Access Control

## Important Dates

Last Round Submission Deadline

**October 10, 2026**

Early Bird Registration Deadline

**September 25, 2026**

Full Paper Submission Deadline

**November 10, 2026**

## Conference General Chair

Prof. Ching Yee Suen, Computer Science and Software Engineering, Concordia University, Canada

## Venue

Hainan Institute of Zhejiang University (浙江大学海南研究院)

Address: Zhejiang University (Hainan), Zhenzhou Road, Science and Technology City, Yazhou District, Sanya City, Hainan Province, China

Website:

<http://www.hnyjy.zju.edu.cn>

## Explore Sanya

Sanya is a renowned tropical coastal paradise. Beyond the stunning coastline, you can explore vibrant coral reefs, lush rainforests at places like Yanoda, and rich local culture of the Li and Miao ethnic groups. The city also offers delicious fresh seafood and tropical fruits. As a top-tier international tourist destination, Sanya provides the perfect setting for relaxation, adventure, and immersing in natural beauty.
