Invited & Oral Presentations

# Introduction

CECNet 2025 will be held during November 24-26, 2025 in Hong Kong.

It is held annually to provide a comprehensive global forum for experts and participants from academia to exchange ideas in the most state-of-the-art areas of electronics technology, communication engineering, network security and technology.

You are welcome to participate in CECNet 2025 as authors, speakers and listeners. Hope to see you all in Hong Kong!

## CECNet Highlights

- ✓ A global platform for international academic exchange.
- ✓ Accepted full papers will be published in conference proceedings (EI and Scopus indexed). Some will be selected to SCI/EI indexed journals.
- ✓ Best oral presenters will be awarded with the free registration to the next-year conference and a certificate.
- ✓ Enjoy a visit in Hong Kong, which is a unique global metropolis that seamlessly blends Eastern and Western cultures.

# CECNet 2025

The 15th International  
Conference on Electronics,  
Communications and  
Networks

# Call for Papers

## Electronics Technology

Control Theory and Technology  
Internet of Things  
Internet Integration  
Virtual Reality and Its Application  
Automation  
3D Printing

## Communication Engineering

Digitization  
Optical Communications and Photonics  
Multiple Access Techniques  
Information Theory and Coding  
Signal and Image Processing  
Antennas and Propagation

## Network Security

5G/6G Systems  
Ad-hoc and Sensor Networks  
Network Security and Privacy  
Wireless & Mobile Networking  
RFID Technology and Application  
Information Theory and Coding

## Important Dates

Last Round Submission Deadline  
*September 10, 2025*

Early Bird Registration Deadline  
*September 20, 2025*

Full Paper Submission Deadline  
*September 30, 2025*

## Publication

### Conference Proceedings

IOS book series Frontiers in Artificial  
Intelligence and Applications  
Indexed by EI Compendex, Scopus

### SCI/EI Journals

Journal of Internet Technology  
IF: 0.9

Publication Type: Regular Issue

International Journal of Sensor  
Networks  
IF: 1.1

Publication Type: Regular Issue

International Journal of Security  
and Networks (EI)  
Publication Type: Regular Issue

Automatic Control and  
Computer Sciences (EI)  
Publication Type: Regular Issue

## Keynote Speaker

Kin K. Leung

Professor, Imperial College, UK

Ching Yee Suen

Professor, Concordia University, Canada

Ka-Chun Wong

Associate Professor, City University of Hong Kong, China

Yik-Chung Wu

Associate Professor, The University of Hong Kong, China

## Explore Hong Kong

Hong Kong is a highly prosperous free port and an international metropolis. It is a place where Chinese and Western cultures blend, offers an unparalleled culinary scene and picturesque landscapes.

Avenue of Stars

The Peak

Hong Kong Disneyland

The West Kowloon Cultural District

Wonton Noodles

Bubble Tea

Pineapple Buns
